

Primary PE and Sport Premium 2023-24

Sports Grant amount received: £19,220.00

Total number of children on role:	430
-----------------------------------	-----

Total number of children eligible for Sports Premium:	322
---	-----

Background of Primary PE and Sports Premium:

Background of PPSG Money:

The PE and Sport Premium is part of a series of programmes led by the department to improve healthy lifestyles among pupils and tackle childhood obesity. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that the premium should be used to:

- develop or add to the PE and sport activities that your school already offers.
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

Objectives of spending Primary PE and Sports Premium:

- To effectively use the Sports Premium to raise the profile and outcomes for children in PE, sport and physical activity across school and encourage them to develop into healthy adults and continue to live active lifestyles.
- To continue to improve the provision of PE at Puss Bank School and Nursery by offering CPD to staff, which will develop their confidence when teaching PE, and equipping them with specialist skills and equipment to enhance children's Physical Education experiences.
- To encourage children to participate in a range of sporting activities by offering a variety of sports activities to them in lessons.
- To make improvements to our sports offerings now, which will then benefit those children attending our school in future years.
- To help to promote and to encourage children to be emotionally healthy so that they are equipped to deal with anxiety and stress, now and as they progress through life.
- To engage all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
- To improve the school environment through sustainable resourcing.
- To develop and improve children's mindsets and attitudes towards themselves, teammates and competitive sport.

Objectives to be achieved by:

- Working towards School Games Status (maintaining the Gold award and the intention of applying for Platinum award).
- Introducing new sports to children throughout the school.
- Replenishing and adding to existing sports kits.
- MSSP scheme for CPD training and the participation of school games competition and festivals.
- Continuing and developing the intra-class and inter-school sports competitions.
- Continuing to maintain pupil's participation in the school games.
- Using sports coaches to offer CPD to teachers by team teaching and delivering lessons throughout the school.
- Promotion and sustainment of the daily mile.

- Promotion of exercise in daily lifestyle.

Reporting on Year 6 Swimming Outcomes:

Schools are required to publish the percentage of pupils within your year 6 cohort in the 2023 to 2024 academic year who met the national curriculum requirement to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations

Attainment data for year 6 pupils should be provided from their most recent swimming lessons. This may be data from years 3, 4, 5 or 6, depending on the swimming programme at your school.

64% of Year 6 cohort met the national curriculum requirements outlined above.

64% of these Year 6 could use a range of strokes effectively.

64% of our Year 6 could perform safe self-rescue in different water-based situations.

The catch-up sessions for those Year 6 pupils who did not attain national standards in Year 5 have had a significant impact on their water confidence, ability to use a range of strokes effectively and to perform self-rescue in water-based situations.

Spending of the Sports Premium 2023-2024

Item/ action	Cost	OFSTED Objective	Outcome(s)
<p>-Tennis lessons taught by an expert from Pearson Sports for all KS2 children. (One lesson per week for each half-term unit of work). This also developed the CPD of staff who worked alongside the tennis coach during the sessions.</p> <p>-Futsal lessons taught to Year 2 for half a term and CPD for Year 2 staff alongside.</p> <p>-Net and Wall lessons taught to KS1 for a term and CPD for KS1 staff alongside.</p> <p>-Lunchtime activity for Years 3, 4 and 6 across the year.</p>	£4,439.40	<p>- The profile of PE and sport is raised across the school as a tool for whole-school improvement</p> <p>- Increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>- Broader experience of a range of sports and activities offered to all pupils</p> <p>- Increased participation in competitive sport.</p>	<p>Children built on prior knowledge of a familiar national sport. Children's ability to hit consistent forehands, backhands significantly improved and had the opportunity to practise their resilience skills when they have found learning these skills a challenge.</p> <p>The children's knowledge of tactics for attacking and defending was effectively focussed upon during competitive games. Staff feel more confident teaching this area of the curriculum.</p> <p>Improved lunchtime behaviour in KS2. The sessions promote good behaviour and it has been effective in reducing the amount of lunch time incidents. PE focused playtimes with well-structured games, which provide positive play through PE.</p> <p>Provide extra-curricular opportunities outside of PE lessons.</p> <p>Futsal lessons in KS1 have developed concentration, co-ordination, agility and balance.</p>
<p>-Cricket lessons taught by an expert from Stewart Garnett Cricket to Year 5 and Year 6.</p>	£880.00	<p>- The profile of PE and sport is raised across the school as a tool for whole-school improvement</p> <p>- Increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>- Broader experience of a range of sports and activities offered to all pupils</p>	<p>Curriculum taught to Year 5 and Year 6 children by an expert. Children are offered a range of different sports as part of the PE curriculum.</p> <p>Children built on prior knowledge of a familiar national sport. Staff feel more confident teaching this area of the curriculum.</p>

		- Increased participation in competitive sport.	
-Golf lessons taught by an expert from Dave Myers Golf to Year 3 and Year 4.	£1,040.00	- The profile of PE and sport is raised across the school as a tool for whole-school improvement - Increased confidence, knowledge and skills of all staff in teaching PE and sport - Broader experience of a range of sports and activities offered to all pupils - Increased participation in competitive sport.	Curriculum taught to Year 3 and Year 4 children by an expert. Children are offered a range of different sports as part of the PE curriculum. Children built on prior knowledge of a familiar national sport. Staff feel more confident teaching this area of the curriculum.
-Lacrosse lessons taught by Lacrosse expert from Macclesfield Town for all KS2 children. CPD for KS2 staff alongside.	£1,890.00	- The profile of PE and sport is raised across the school as a tool for whole-school improvement - Increased confidence, knowledge and skills of all staff in teaching PE and sport - Broader experience of a range of sports and activities offered to all pupils - Increased participation in competitive sport	Children built on prior knowledge of a less familiar sport nationally. Children's ability to scoop and pass the ball has increased, whilst working on their ability to be resilient in team games.
Macclesfield School Cross Country Association	£40.00	Increased participation in competitive sport	Children across KS2 have had the opportunity to participate in weekly events competing against their own personal bests and collaboratively as a school team.
Transport for competitions	£445.00	Increased children's participation in competitive school games.	The transport availability meant there was no barrier to any child participating and experiencing competitive sport from Years 3-6. They promoted a healthy and active lifestyle and enabled pupils to experience competitive sport in a range of activities.
Playground equipment	£825.29	- Broader experience of a range of sports and activities offered to all pupils - Increased participation in competitive sport - to increase the amount of time spent doing physical activity outside of PE lessons (30:30)	Children have a wide variety of games to play during playtimes and lunchtimes. These include cricket, football, basketball, 'scoopball,' circus skills activities, skipping and a target ball game. These activities are zoned and all year groups (KS2) have a rota to ensure all children can experience all games across the week.
Pools 2 School "Pop-Up" Swimming Pool for Year 3 and 4.	£13,912.38	-Expert swimming instructors delivering high-quality lessons to all children.	Children have been taught swimming by expert instructors, enabling them to experience high-quality lessons multiple times a week, and, as a result, an increased number of children can swim to a higher standard and keep themselves safe around water (water safety) with the intention of improving the percentage of children attaining National Curriculum Standard in Year 5 and promoting the importance of Water Safety.
Swimming for Year 6 including transport to Macclesfield Leisure Centre	£1,625.00	To raise the profile of swimming and the attainment standards of non-swimmers. -Expert swimming instructors delivering high-quality lessons to all children.	The catch-up programme for children who did not attain National Curriculum Standard in swimming by the end of Year 5. These children had dedicated sessions towards the key national standards. Their confidence in water grew significantly and they

			had a dedicated session towards performing safe self-rescue in different water-based situations. The sessions have significantly narrowed the gap in their attainment.
Swimming for Year 5 including transport to Macclesfield Leisure Centre	00.00	-Expert swimming instructors delivering high-quality lessons to all children.	Children have been taught swimming by expert instructors, enabling them to experience high-quality lessons, and, as a result, accelerated progress.
Football Competitions: Community Sports Trust Football Competition Macclesfield Town Girls Comp	£40.00 £20.00 £20.00	Increased participation in competitive sport	Children in KS2 have had the opportunity to participate in a competitive football event- developing teamwork, resilience and allowing them to apply their skills in a competitive situation.
Macclesfield Schools Netball Association	£35.00	Increased participation in competitive sport	Children in Y5/6 have had the opportunity to participate in the local netball league.
Sports Week: To encourage children to participate in a range of sporting activities. - Andy Molyneux Cycling - Bounce Beyond - Swimming King's Macc - Transport to venues for RP	£1,590.00 £1500.00 £1,080.00 00.00 £360.00	- Broader experience of a range of sports and activities offered to all pupils. -To promote a healthy and active lifestyle. -To introduce sports which can be accessed outside the school day (Scootfit). -To raise the profile of sport and PE across the school. -To create a legacy.	Children experienced a range of motivational sports across the week. These sports included ones, for example, Bounce Beyond, which is not part of their everyday lives and encourages trying new/alternative sports, activities which possess the core foci of the PE curriculum, for example, cricket. Also ensuring full inclusivity across the school providing opportunities for The Resourced Provision such as, Andy Molyneux Cycling. The week significantly raised the profile of sport across the school. The success of Sports Week was evidenced in KS2 pupil voice where many pupils referenced the Bounce Beyond, the Fun Run and the Sports Day as the highlight of the school year.
Membership to MSSP	£500.00	- The profile of PE and sport is raised across the school as a tool for whole-school improvement - Increased confidence, knowledge and skills of all staff in teaching PE and sport. - Broader experience of a range of sports and activities offered to all pupils. - Increased participation in competitive sport.	Children have participated in a wide range of sporting events. Children have had the opportunity to practise their sportsmanship skills, their ability to work as part of a team and build on resilience when they have been beaten by other teams. Children have had the opportunity to be ambassadors for Puss Bank School and Nursery in the local community and be proud of their school and their team achievements. CPD for PE Leader, sharing of best practice with other local PE Leaders and discussion of ideas of how to implement 30 minutes of exercise into the school day.

Total: £27,262.07

Sustaining PE at Puss Bank School and Nursery prosed future spending:

- The re-implementation and sustainment of the daily mile and the use of Marathon Kids for all children:
 - Replenishment of tracking bands and boxes
 - Key Stage One to also now use the data tracking system and bands system to track daily running
 - Joining the programme and relevant bands/ ICT support
 - Staff and MDA training on delivery
 - Sports Ambassador training
 - Continuing a legacy by providing medals and engaging on school quickest 2K trophies and plates
- CPD for staff to ensure high quality lessons are delivered including:
 - New subject leader training
